### Results of Annual General Meeting

11.05.21

Directors of M Winkworth Plc (“Winkworth” or the “Company”) are pleased to announce that all the resolutions proposed at the Company’s annual general meeting held earlier today were approved by shareholders.

At the AGM, Dominic Agace, CEO of Winkworth, made the following comment:

“We have had an exceptionally strong first quarter of the year in sales, with revenues almost doubling on Q1 2020 due to a combination of completions being carried over from the fourth quarter of 2020 and a resurgence of activity in 2021. This momentum has carried over into the second quarter and, while the ending of stamp duty relief in September may temper the number of transactions in the second half, we are well placed to benefit from the revival in interest. Our rentals business, meanwhile, is showing a gentle rise and will again be an important contributor to our results this year.”
